

It's time for the Annual Fall In-service for Agricultural Education Teachers.

The Department of Public Instruction, the Wisconsin Technical College System, CESA Agencies, and the Wisconsin Association of Agricultural Educators (WAAE) are partnering to sponsor this professional development opportunity.

This year the in-service meetings will include the following workshops:

- Agriculture, Food and Natural Resource Standards
- College and Career Ready and Work-based Education
- Educator Effectiveness
- WAAE Sectional Meetings and Best Practice Sharing of Ideas

THERE IS NO REGISTRATION FEE
FOR PARTICIPANTS.

Learning that works
for Wisconsin

AGENDA*

8:30 a.m. Registration/Coffee and Donuts

8:45 a.m. Host Welcome and Comments

9:00 a.m. Workshop

Agriculture, Food and Natural Resource Standards

To clearly identify what students should know and be able to demonstrate as productive workers, the DPI has created the Wisconsin Standards for Agriculture, Food and Natural Resources (AFNR). This resource will provide a framework for aligning AFNR curriculum, instruction and assessment. During this time teachers will have the opportunity to review, discuss and align curriculum to the standards.

10:30 a.m. Break

11:30 a.m. Workshop

Workbased Education/Leadership Certificate/DPI Updates

12 Noon Lunch/Sectional WAAE Meeting
(Lunch is at your own expense.)

1:30 p.m. Workshop

Educator Effectiveness

To support a system of continuous improvement of educator practice - from pre-service through inservice - that leads to improved student learning. The system will evaluate teachers and principals through a fair, valid, and reliable process using multiple measures across two main areas: educator practice and student outcomes. During this time teachers will have the opportunity to learn more about the educator effectiveness system and draft SLO's in agricultural education.

3:30 p.m. Adjourn

*TIMES OF PRESENTATIONS ARE SUBJECT TO CHANGE TO
ACCOMMODATE GUEST PRESENTERS

In-service Schedule

November 5, 2013

The Mission of Agricultural Education is to...

- Prepare students for careers in the agriculture industry,
- Support students in their career choices, and
- Develop leadership skills in students to benefit their community and the food, fiber, and natural resource systems.
